Information we collect about you

We will store cookies on your device should you consent to us doing so.

To ensure the safety of all of our residents, visitors and staff we capture and record CCTV images at different locations around our buildings.

Information we receive from other sources

We work closely with third parties (including, for example, business partners, sub-contractors in technical, payment and delivery services, advertising networks like Zoopla and Rightmove, analytics providers & search information providers like Google, credit reference agencies) and may receive information about you from them.

HOW WILL WE USE THE INFORMATION ABOUT YOU?

We use information held about you in the following ways:

Information you give us

We will process this information on the following legal bases under [Article 6 of the General Data Protection Regulation \(GDPR\)](#):

Data received as a result of an enquiry about our accommodation

We log the data provided in the course of an enquiry electronically and contact you if there are properties available. We also record details of conversations between us about your enquiry so that the relevant members of the team at Fresh Property Group understand your enquiry.

This will include the scheme about which you initially expressed an interest and others in the same area. We may continue to contact you for the duration of the period about which you enquired whenever something suitable becomes available and for one year afterwards. We will also use your information to give you the opportunity to re-book your property at the end of your tenancy.

Fresh has a legitimate interest in processing this information for purposes of marketing the property where the enquirer is looking for accommodation.

We will seek your formal consent if we wish to retain personal data for marketing purposes beyond the current and next academic year for student properties and for one year for non-student residential properties.

We would also like to send you information about products and services of ours and other companies in our group, which may be of interest to you. We will gain your consent to do so, and you may opt out at a later date.

If you no longer wish to be contacted for marketing purposes, please [click here](#).

Data received from customers who make a booking

If you make a booking, we record the information on our tenant database. This information is used to contact you about the services that we provide to you as a tenant. Our staff have access to this data to make sure that all parts of the tenancy agreement are fulfilled including the provision of services and the payments for these services. We may also share this information with third parties including contents insurance providers and our security partners. The legal basis for processing this information is for the performance of contract.

We will use your data for internal reporting, analysis and financial reconciliation purposes to ensure that we can manage the buildings effectively. We have a legitimate interest to do so in our role as property managers.

SHARING OF YOUR INFORMATION

We may share your information with selected third parties including:

- **Public bodies such as the local council, Home Office or the police. The legal basis in these cases is compliance with a legal obligation.**
- **In case of an emergency we may also share your information with the relevant public services, and contact your next of kin. The legal basis for processing in such cases is your own vital interests.**

We may also share your information with the following third parties for performance of our contract with you:

- **Contents insurance providers**
- **Our security provider**

For our own legitimate business interests we may share your information with the following categories of 3rd parties:

- **Debt collection agencies for the purposes of collecting any arrears**
- **Analytics and search engine providers that assist us in improving and optimising our site**
- **Buyers of any building managed by Fresh Property Group where the building is in the process of being sold as part of a due diligence process.**

Where we store your personal data

We have an accounting operation in India, which we use to process financial information and to prepare accounts. India is not a country in respect of which there is a European Commission decision of adequacy. Therefore, we protect your privacy and your rights through the use of the European Commission's standard data protection clauses. More information about these is available here:

<http://eur-lex.europa.eu/legal-content/en/TX-T/?uri=CELEX:32010D0087>

Your rights

The GDPR provides you with certain rights in relation to the processing of your personal data, including to:

- **Request access to personal data about you** (commonly known as a “**data subject access request**”). This enables you to receive a copy of the personal data we hold about you, and to check that we are lawfully processing it.
- **Request rectification, correction, or updating to any of the personal data that we hold about you.** This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request personal data provided by you to be transferred in machine-readable format (“data portability”).**
- **Request erasure of personal data.** This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove personal data where you have exercised your right to object to processing (see below).
- **Request the restriction of processing of your personal data.** This enables you to ask us to suspend the processing of personal data about you (e.g. if you want us to establish its accuracy or the reason for processing it).
- **Object to the processing of your personal data in certain circumstances.** This right may apply where the processing of your personal data is based on the legitimate interests of Fresh, as explained above, or where decisions about you are based solely on automated processing, including profiling.

These rights are not absolute and are subject to various conditions under:

- **applicable data protection and privacy legislation; and**
- **the laws and regulations to which we are subject.**

If at any time you decide that you do not want to be contacted for any purpose, including marketing, or if you would like to exercise any of your rights as set out above, you can contact us by [email](#).

HOW LONG WILL WE RETAIN YOUR INFORMATION?

We will retain your information for the following periods:

Data received in the course of an enquiry about our accommodation

All information will be retained until the end of the booking period about which you enquired and for one year thereafter, unless you ask us not to contact you anymore. Consent will then be sought and refreshed annually.

Data received from customers who make a booking

Customer information has the following retention periods:

- **Bank details/next of kin Info - maximum 1 year after tenancy end.**
- **Guarantor information – maximum of 1 year after the tenancy ends or after all charges are paid, whichever is later.**
